## Please join us for the 2026 Hope Alzheimer's Center Golf Tournament.

There are few people who haven't been affected in some way by Alzheimer's. Adult day care has proven to be very effective in reducing the likelihood of nursing home placement in people with Alzheimer's. It keeps people cognitively active and engaged in life, and, just as importantly, it gives caregivers a much-needed break from the stresses of caring for a memory-impaired loved one.

All proceeds from the golf tournament, now in its 12<sup>th</sup> year, will benefit the Hope Alzheimer's Center and its mission to help families facing Alzheimer's.
